ABOUT-THE SPORTS GURUKUL

The Sports Gurukul is Mumbai's first of its kind physical education, professional sports & fitness development and training organization. We are looking to create awareness for sports and fitness as an important part of moral and physical education.

Since the last 13 years, over 1 Lakh participants have undergone physical education training and sports' coaching with The Sports Gurukul and it now operates in over 25 cities across the country.

We provide physical education for schools in India, sports training, school sports management and total sports management services for schools and colleges to help them take their sports to the next level, and conduct Training Programs for all outdoor and indoor sports. Our coaches have trained more than 15000 students at grass root level over the last 10 years.

About TSG TENNIS SCHOOL

An initiative of TSG, TSGTS is one of the few tennis academies in India, which provides an opportunity for young tennis players to get coaching at both, the grass-root level and at the professional level.

Backed by International partners, TSGTS adopts best international coaching practices and methodology, thereby developing talent which is ready to meet world class standards.

In association with Australasian Academy of Tennis Coaches(AATC) TSGTS provides a pathway for talented Indian tennis players to get scouted and trained at AATC Centers of excellence at Australia.
